PVC FOR MARINE APPLICATIONS

BOAT COVERS | BIMINIS | SPRAY DODGERS | COVERS | CAMPING

FOR ULTIMATE PROTECTION & LASTING CONFIDENCE ON THE WATER.

Bluwater and Bluwater Lite are engineered for durability and versatility in marine environments. Both fabrics are perfect for boat covers, biminis, and spray dodgers, offering reliable protection against harsh conditions.

Bluwater features a 10-year UV warranty with superior UV stabilisation, ensuring long-lasting colour retention and strength. It's waterproof, treated to resist moisture absorption, and finished with a protective lacquer that guards against dirt and contaminants. Bluwater Lite has a 5-year UV warranty, and features the same features, whilst offering a lightweight option in five colour options. Stay protected and confident on the water with Bluwater.

UV STABILISED

Bluwater fabrics are UV stabilised which prevents them from fading under intense UV rays. This also increases the textiles' longevity and ensures easy cleaning.

WATERPROOF

Bluwater and Bluwater Lite both provide a waterproof finish for any marine canopy, cover or other outdoor application.

MOULD & MILDEW RESISTANT

Bluwater fabrics include an additive to inhibit mould and mildew, providing maintenance benefits.

LOW-WICK TREATMENT

Bluwater contains a low-wick treatment to prevent unsightly mould developing in the fabric's woven base cloth.

PROTECTIVE LACQUER

Bluwater and Bluwater Lite are finished with a protective lacquer on both surfaces to maintain appearance and product performance.

10-YEAR UV WARRANTY

Bluwater is supported with a 10-year warranty and Bluwater Lite is supported with a 5-year warranty. Both are provided in partnership with the manufacturer and provide peace of mind.

MARINE RANGE BOAT COVERS, BIMINIS & SPRAY DODGERS

COLOUR RANGE

This collection contains colourways in two fabrics: Bluwater boasts a weight of 650gsm and high tear strength, while Bluwater Lite is the lighter option at 360gsm. Bluwater is only available in white and Bluwater Lite is available in all 5 colours shown below.
