NG600 & NG680

MULTITUDE OF FEATURES, MULTITUDE OF APPLICATIONS.

NG600 & NG680 have your back when it comes to applications that will face challenging conditions.

These PVCs is not only resistant to ripping, but also to mould & mildew. These fabrics won't fade because it is UV stabilised, and also fire retardant, ensuring that it's built with quality and durability. Amidst all these great features, NG600 & NG680 are also printable and come with a 3-Year Warranty, and that's a PVC you can rely on.

3-YEAR UV WARRANTY

NG600 & NG680 fabrics are supported with a 3-year warranty.

UV STABILISED

NG600 & NG680 fabrics are UV stabilised which prevents them from fading under intense UV rays. It also increases the textiles' longevity and ensures easy cleaning.

FIRE RETARDANT

NG600 & NG680 is fire retardant which means the fabrics are designed for commercial environments. Test results are available by request. (Silver is not FR).

MOULD & MILDEW RESISTANT

This PVC fabric is highly resistant to mould and mildew, ensuring longevity and reliability even in challenging environments.

PRINTABLE

NG600 & NG680 are printable and is compatible with screen and digital printing methods.
