DreamScape® is the global market leader in commercial grade wall coverings, delivering the highest quality product to turn white walls into dreams.

DreamScape wall coverings serve as a dual-purpose solution: enhancing interior aesthetics while safeguarding walls from everyday wear and tear. The market offers a plethora of wall covering options, each boasting unique characteristics and suitability for various applications. Commercial grade printable wall coverings offer unparalleled design flexibility, encompassing a wide array of textures, colours, and special effects. This versatility makes them ideal for various interior spaces and market sectors, catering to diverse aesthetic preferences.

MADE BY ROYSONS

A world leader in printing, coating and lamination services for a wide range of industries. Business partners and customers alike share the same quality experience they did when we first opened our doors.

FIRE RETARDANT

The DreamScape collection is designed for commercial environments and are tested to the relevant Australian standards. (AS/NZS 3837:1998)

MOULD, MILDEW & FUNGAL RESISTANT

DreamScape wall coverings have been finished with a treatment that provides ease of maintenance by inhibiting mould, mildew and fungal growth. This treatment also improves the product's longevity.

COMMERCIAL GRADE QUALITY

DreamScape wall coverings are engineered to endure long-term use, making it suitable for high-traffic environments and commercial settings.

WOVEN POLYCOTTON OR NON-WOVEN POLYESTER BACKING

The DreamScape White Textures range features a woven polycotton or non-woven polyester backing, facilitating easy hanging and removal. The range is also compatible with commercially available wallpaper adhesives, offering flexibility and convenience.

ENVIRONMENTALLY CONSCIOUS

The DreamScape Sustainability range is crafted with recycled content and PVC-free materials, reducing its environmental footprint without sacrificing quality.
